

SWAYTHLING 2020 LIVING ADVENT TRAIL

The map below shows where you can find houses that are part of our local Advent Window Trail. The number indicates the day of the month on which the display for this house will go live.

Windows that are part of the trail will be lit from 5-8pm from the day they go live and each day until 24 December when the trail finishes meaning you can get involved at any time!

Each house will have a letter on display in the window – collect all 24 and unscramble them to find a hidden message. Bring your completed form to the final house to collect a prize!

Organised by the churches of
Love Swaythling and Bassett
